Dear Parents/Guardians,

As you are aware uSports have been running the Loudwater After School Care Club for nearly 6 weeks now with thanks to Mrs Iliffe and our play workers, Sam and Megan.

Having consulted with Loudwater parents by way of questionnaire prior to launching the club, the results were positive indicating a strong potential take up. Based on these figures, we were anticipating approximately 30 children a day. Numbers coming through are currently between 2-8 children per day. This has caused issues for us and on review, we have unfortunately concluded that the club is not sustainable and therefore will not be continuing after the October Half Term.

You have been sent this letter as you are identified as someone that has used the club on several occasions. I would like to thank you sincerely for your support of the club and I am truly very disappointed to inform you of this news.

We are aware that some parents may require the childcare and so we are happy to send you a list of local childminders if requested. These can be found on the [bucksfamilyinfo.org](http://bucksfamilyinfo.org) page.

We will be informing the rest of the school on Friday in the school newsletter.

Kind Regards,

*Charlie Hiscox*
